## 1. INTRODUCTION

- 1.1 The Issuer has established the Issuer Programme.
- 1.2 Under the Programme, the Issuer may establish one or more Transactions by signing an Applicable Transaction Supplement in respect of each relevant Transaction.
- 1.3 The Issuer has established Transaction 6 of the Issuer Programme and proposes to issue Notes in respect of such Transaction.
- 1.4 The Seller and the Borrower have entered into Loan Agreements and Related Finance Documents.
- 1.5 The Seller wishes to sell to the Issuer and the Issuer wishes to purchase from the Seller, all right, title and interest of the Seller, in its capacity as Lender in respect of Specified Loans under certain Loan Agreements and Related Finance Documents, on the terms and subject to the conditions of this Agreement.

## 2. DEFINITIONS AND INTERPRETATION

- 2.1 The Common Terms Agreement signed by, among others, the parties to this Agreement (as such Agreement may be amended, novated and/or substituted from time to time in accordance with its terms) is expressly and specifically incorporated into this Agreement and, accordingly, the expressions defined in, and the terms and provisions of, the Common Terms Agreement (as so amended, novated and/or substituted) shall, except where the context otherwise requires and save where otherwise defined or provided for in this Agreement, have the same meanings in this Agreement and shall form part of this Agreement.
- 2.2 All capitalised terms used in this Agreement refer to such term in respect of Transaction 6 of the Programme.
- 2.3 If there is any conflict between the provisions of the Common Terms Agreement and the provisions of this Agreement, the provisions of this Agreement shall prevail with the exception of clause 3 (*Subordination, Limited Recourse, Enforcement and Non-Petition*) of the Common Terms Agreement which shall, in any case, prevail.

## 3. SALE AND PURCHASE

- 3.1 On the Effective Date, the Seller sells to the Issuer, and the Issuer purchases from the Seller, each of the Participating Assets identified in Schedule 2 to this Agreement.
- 3.2 For the purposes of this Agreement, the effective date of the sale of each Participating Asset will be the Effective Date, on which date, subject to payment of the purchase consideration in terms of clause 4, the risks in and benefits of, and ownership of, such Participating Asset will pass to the Issuer.
- 3.3 The sale and purchase of each Participating Asset in terms of this clause 3, shall be subject to the terms and conditions of this Agreement and shall include, with effect from the Effective Date, a cession by the Seller to the Issuer of the Seller's right, title, interest and benefit as Lender in and to, and a delegation by the Seller to the Issuer of the Seller's obligations as Lender under, each Participating Asset.
- 3.4 It is recorded, for the avoidance of doubt, that the Seller retains its right, title and interest under the Loan Agreements and Related Finance Documents in any capacity other than

its capacity as Lender under the Specified Loans, such as in its capacity as facility agent (if applicable) or as lender under other loans made available under the Loan Agreement.

- 3.5 As far as each Participating Asset is concerned, and irrespective of any disclosure to the Issuer, nothing:
- 3.5.1 shall require the Issuer to perform any obligation falling due for performance or which should have been performed before the Effective Date; or
- 3.5.2 shall make the Issuer liable for any act, neglect, default or omission of the Seller in respect of any of the Participating Assets prior to the Effective Date.
- 3.6 It is the intention of the parties to this Agreement that each sale and transfer of Participating Assets by the Seller to the Issuer pursuant to this Agreement shall constitute an absolute sale and transfer and not a loan. Neither the Seller nor the Issuer shall take any action inconsistent with the treatment of such transfers as absolute sales and transfers or with the Issuer's ownership of the Participating Assets. Each of the Seller and the Issuer shall indicate in its records that, and shall respond to any inquiries from third parties by indicating that, ownership of the Participating Assets is or will be held by the Issuer with effect from the Effective Date (upon and subject to the terms of this Agreement).

#### 4. **CONSIDERATION**

- 4.1 The purchase consideration for each Participating Asset sold in terms of this Agreement, payable by the Issuer to the Seller, shall be the purchase consideration as set out in Schedule 3.
- 4.2 The purchase consideration shall be due and payable for value on the Effective Date, against compliance by the Seller with its obligations under clause 5.1, to the account of the Seller notified to the Issuer for the purposes of this Agreement; provided that any unpaid accrued interest outstanding and owing to the Seller, as Lender in respect of the Specified Loan, will be paid by the Issuer to the Seller from Interest Collections on each Payment Date after the Effective Date until such amount is paid in full, prior to the application of the Priority of Payments on that Payment Date.

#### 5. **DELIVERY**

- 5.1 On:
- 5.1.1 the Effective Date the Seller will deliver to the Administrator, as agent on behalf of the Issuer, a copy of the signed Loan Agreement and Related Finance Documents in respect of each Participating Asset; and
- 5.1.2 or before the Effective Date, in respect of each Participating Asset, the Seller shall:
- (a) deliver a transfer certificate (however defined in the Loan Agreement) to the facility agent (if applicable) or the Seller, duly completed by the Seller and the Issuer, as required under the Loan Agreement in respect of that Participating Asset;
  - (b) procure that the facility agent (if applicable) executes the transfer certificate, as required under the Loan Agreement in respect of that Participating Asset, no later than the Effective Date; and

- (c) deliver such other accession agreements, other documents and notices and obtain such consents, as may be required under the Loan Agreement or Related Finance Documents in respect of that Participating Asset, to give effect to the sale and transfer of that Participating Asset to the Issuer and to require the Borrower to make all payments to the Issuer that are due under the Loan Agreement after the Effective Date into the bank account of the Issuer set out in the transfer certificate.

5.2 The Seller shall procure that the facility agent (if applicable) or the Seller delivers a copy of the duly completed, signed transfer certificate to the Borrower, in accordance with the provisions of the Loan Agreement in respect of the Participating Asset.

5.3 In respect of any Participating Assets sold by the Seller in terms of this Agreement, the Seller shall supply such information as it has at the date of signature of this Agreement and as at the Effective Date, about such Participating Assets as the Issuer, the Administrator or the Security SPV (if any) may reasonably require, including any independent technical advisor's reports.
