ANNEXURE A - EXTRACTS FROM THE REPURCHASE AGREEMENT

10 EVENTS OF DEFAULT

- 10.1 If any of the following events (each an "**Event of Default**") occurs in relation to either party (the "**Defaulting Party**", the other party being the "**non-Defaulting Party**") whether acting as Seller or Buyer -
- 10.1.1 Buyer fails to pay the Purchase Price upon the applicable Purchase Date or Seller fails to pay the Repurchase Price upon the applicable Repurchase Date; or
- 10.1.2 Seller fails to deliver Purchased Securities on the Purchase Date or Buyer fails to deliver Equivalent Securities on the Repurchase Date, in either case within the standard settlement time for delivery of the Securities concerned, provided that no Event of Default will occur if (a) the failure is caused by an error or omission of an administrative or operational nature; and (b) Securities were available to such Defaulting Party to enable it to deliver the relevant Securities when due; and (c) the relevant delivery is made within two Business Days after notice of such failure is given by the non-Defaulting Party; or
- 10.1.3 Seller or Buyer fails to pay when due any sum payable under clauses 10.8 or 10.9 below; or
- 10.1.4 Seller or Buyer fails to -
- 10.1.4.1 make a Margin Transfer within the minimum period in accordance with clause 4.9 in the case or an obligation to deliver Equivalent Margin Securities, either to deliver the relevant Equivalent Margin Securities or to pay Cash in accordance with clause 10 or to pay the Cash Equivalent Amount in accordance with clause 4.10.2;
- 10.1.4.2 where clause 4.11 applies, to provide margin in accordance with that clause; or

- 10.1.4.3 to pay any amount or to transfer any Securities in accordance with clauses 4.13 or 4.14; or
- 10.1.5 Seller or Buyer fails to comply with clause 5; or
- 10.1.6 an Insolvency Event occurs with respect to Seller or Buyer; or
- 10.1.7 any representations made by Seller or Buyer are incorrect or untrue in any material respect when made or repeated or deemed to have been made or repeated; or
- 10.1.8 Seller or Buyer admits to the other that it is unable to, or intends not to, perform any of its obligations hereunder or in respect of any Transaction; or
- 10.1.9 Seller or Buyer being declared in default or being suspended or expelled from membership of or participation in, any securities exchange or suspended or prohibited from dealing in securities by any Competent Authority, in each case on the grounds that it has failed to meet any requirements relating to financial resources credit rating; or

- 10.1.12 any party has any of its registrations, authorisations, licences, or memberships, with any governmental or regulatory authority revoked, suspended, terminated, limited or qualified; or
- 10.1.13 either party delivers a written notice to an affected person as contemplated by section 129(7) of the Companies Act; or

then clauses 10.2 to 10.7 below shall apply.

- 10.2 If at any time an Event of Default has occurred and while it is continuing the non-Defaulting Party may, by written notice ("**Default Notice**") to the Defaulting Party specify the relevant Event of Default and designate a date at least 20 days from the date of the Default Notice within which to remedy the said Event of Default (if capable of remedy). Should the Defaulting party fail to remedy the said Event of Default within the prescribed period (or if the said Event of Default is not capable of being remedied), the Business Day following expiry of the aforementioned period will constitute an Early Termination Date in respect of all outstanding Transactions. If, however, "Automatic Early Termination" is specified in Annexure A with respect to the Defaulting Party, then an Early Termination Date in respect of all outstanding Transactions will occur at the time immediately preceding the occurrence with respect to the Defaulting Party of an Insolvency Event which is the presentation of a petition for winding-up or any analogous proceeding or the appointment of a liquidator or analogous officer of the Defaulting Party.
- 10.3 If an Early Termination Date occurs, the Repurchase Date for each Transaction hereunder shall be deemed to occur on the Early Termination Date and, subject to the following provisions, all Cash Margin (including interest accrued) shall be repayable and Equivalent Margin Securities shall be deliverable and Cash Equivalent Amounts shall be payable, in each case on the Early Termination Date (and so that, where this clause 10.3 applies, performance of the respective obligations of the parties with respect to the delivery of Securities, the payment of the Repurchase Prices for any Equivalent Securities, the repayment of any Cash Margin and the payment of Cash Equivalent Amounts shall be effected only in accordance with the provisions of clause 10.4 below).
- 10.4
- 10.4.1 The Default Market Values of the Equivalent Securities and Equivalent Margin Securities to be transferred, the amount of any Cash Margin (including the amount of interest accrued) to be transferred and the Repurchase Prices and Cash Equivalent Amounts to be paid by each party shall be established by the non-Defaulting Party for all Transactions as at the Early Termination Date;

- 10.4.2 on the basis of the sums so established, the non-Defaulting Party shall take account (as at the Early Termination Date) of what is due from each party to the other under this Agreement (on the basis that each party's claim against the other in respect of the transfer to it of Equivalent Securities or Equivalent Margin Securities under this Agreement equals the Default Market Value therefor and including amounts payable under clauses 10.7 and 12) and the sums due from one party shall be set off against the sums due from the other and only the balance of the account shall be payable (by the party having the claim valued at the lower amount pursuant to the foregoing). For the purposes of this calculation, all sums not denominated in the Base Currency shall be converted into the Base Currency at the Spot Rate; and
- 10.4.3 as soon as reasonably practicable after effecting the calculation above, the non-Defaulting party shall provide to the Defaulting party a statement showing in reasonable detail such calculations and specifying the balance payable by one party to the other and such balance shall be due and payable on the Business Day following the date of such statement provided that, to the extent permitted by applicable law, interest shall accrue on such amount on a 360 day, 365 day or other day basis in accordance with the applicable market convention (or as otherwise agreed by the parties); for the actual number of days during the period from and the Early Termination Date to, but excluding, the date of payment.
- 10.5 For the purposes of this Agreement, the "Default Market Value" of any Equivalent Securities or Equivalent Margin Securities shall be determined by the non-Defaulting Party on or as soon as reasonably practicable after the Early Termination Date in accordance with clause 10.6 below, and for this purpose -
- 10.5.1 the "**Appropriate Market**" means, in relation to Securities of any description, the market which is the most appropriate market for Securities of that description, as determined by the non-Defaulting Party;

- 10.5.3 **"Net Value"** means at any time, in relation to any Deliverable Securities or Receivable Securities, the amount which, in the reasonable opinion of the non-Defaulting Party, represents their fair market value, having regard to such pricing sources (including trading prices) and methods (which may include, without limitation, available prices for Securities with similar maturities, terms and credit characteristics as the relevant Equivalent Securities or Equivalent Margin Securities) as the non-Defaulting Party considers appropriate, less, in the case of Receivable Securities, or plus, the of Deliverable Securities, Transaction Costs which would be incurred or reasonably anticipated in connection with the purchase or sale of such Securities;

- 10.6 If –
- 10.6.1 on or about the Early Termination Date the non-Defaulting Party has sold, in the case of Receivable Securities, or purchased, in the case of Deliverable Securities, Securities which form part of the same issue and are of an identical type and description as those Equivalent Securities or Equivalent Margin Securities (regardless as to whether or not such sales or purchases have settled), the non-Defaulting Party may elect to treat as the Default Market Value -
- 10.6.1.1 in the case of Receivable Securities, the net proceeds of such sale after deducting all reasonable costs, commissions, fees and expenses incurred in connection therewith (provided that, where the Securities sold are not identical in amount to the Equivalent Securities or Equivalent

Margin Securities, the non-Defaulting Party may, acting in good faith, either (x) elect to treat such net proceeds of sale divided by the amount of Securities sold and multiplied by the amount of the Equivalent Securities or Equivalent Margin Securities as the Default Market Value or (y) elect to treat such net proceeds of sale of the Equivalent Securities or Equivalent Margin Securities actually sold as the Default Market Value of that proportion of the Equivalent Securities or Equivalent Margin Securities, and, in the case of (y), the Default Market Value of the balance of the Equivalent Securities or Equivalent Margin Securities shall be determined separately in accordance with the provisions of this clause 10.6; or

10.6.1.2 in the case of Deliverable Securities, the aggregate cost of such purchase, including all reasonable costs, commissions, fees and expenses incurred in connection therewith (provided that, where the Securities purchased are not identical in amount to the Equivalent Securities or Equivalent Margin Securities, the non-Defaulting Party may, acting in good faith, either (x) elect to treat such aggregate cost divided by the amount of Securities sold and multiplied by the amount of the Equivalent Securities or Equivalent Margin Securities as the Default Market Value or (y) elect to treat the aggregate cost of the Equivalent Securities or Equivalent Margin Securities actually purchased as the Default Market Value of that proportion of the Equivalent Securities or Equivalent Margin Securities, and, in the case of (y), the Default Market Value of the balance of the Equivalent Securities or Equivalent Margin Securities shall be determined separately in accordance with the provisions of this clause 10.6;

10.6.2 on or about the Early Termination Date the non-Defaulting Party has received, in the case of Deliverable Securities, offer quotations or in the case of Receivable Securities, bid quotations in respect of Securities of the relevant description from two or more market makers or regular dealers in the Appropriate Market in a commercially reasonable size, using pricing methodology which is customary for the relevant type of security (as determined by the non-Defaulting Party) the non-Defaulting Party may elect to treat as the Default Market Value of such Securities -

- 10.6.2.1 the price quoted (or where a price is quoted by two or more market makers, the arithmetic mean of such prices) by each of them for, in the case of Deliverable Securities, the sale by the relevant market maker or dealer of such Securities or, in the case of Receivable Securities, the purchase by the relevant market maker or dealer of such Securities provided that such price or prices quoted may be adjusted in a commercially reasonable manner by the non-Defaulting Party (x) to reflect accrued but unpaid coupons not reflected in the price or prices quoted in respect of such securities and (y) in respect of any Pool Factor Affected Security, to reflect the realisable value of such Security, taking into consideration the Pool Factor Distortion (and for this purpose, "**Pool Factor Affected Security**" means a security other than an equity security in respect of which the decimal value of the outstanding principal divided by the original principal balance of such Security is less than one (as indicated by any pool factor applicable to such security), such circumstance a "**Pool Factor Distortion**");
- 10.6.2.2 after deducting, in the case of Receivable Securities, or adding, in the case of Deliverable Securities the Transaction Costs which would be incurred or reasonably anticipated in connection with such transaction; or
- 10.6.3 if, acting in good faith the non-Defaulting Party either -
- 10.6.3.1 has endeavoured but been unable to sell or purchase Securities in accordance with clause 10.6.1 above or to obtain quotations in accordance with clause 10.6.2 above (or both); or
- 10.6.3.2 has determined that it would not be commercially reasonable to sell or purchase Securities at the prices bid or offered or to obtain such quotations, or that it would not be commercially reasonable to use any quotations which it has obtained under clause 10.6.2 above,

the non-Defaulting Party may determine the Net Value of the relevant Equivalent Securities or Equivalent Margin Securities (which shall be

specified) and may treat such Net Value as the Default Value of the relevant Equivalent Securities or Equivalent Margin Securities.

- 10.7 The Defaulting Party shall be liable to the non-Defaulting Party for the amount of all reasonable legal and other professional expenses incurred by the non-Defaulting Party in connection with or as a consequence of an Event of Default, together with interest thereon at the Applicable Rate or, in the case of an expense attributable to a particular Transaction, the Pricing Rate for the relevant Transaction if that Pricing Rate is greater than the Applicable Rate.

- 10.8.2 if Buyer has a Transaction Exposure to Seller in respect of the relevant Transaction, require Seller to pay Cash Margin at least equal to such Transaction Exposure; and
- 10.8.3 at any time while such failure continues, by written notice to Seller specify a date at least 20 days from the date of such notice within which to deliver the Purchased Securities. Should Seller fail to deliver the Purchased Securities within the prescribed period, the Transaction will terminate on the Business Day following expiry of the aforementioned period *mutatis mutandis* in accordance with clause 10.3. On such termination the obligations of Seller with respect to delivery of Purchased Securities and Equivalent Securities shall terminate and Seller shall, in addition to the repayment referred to in clause 10.8.1, pay to Buyer an amount equal to the excess of the Repurchase Price at the date of Termination over the Purchase Price.
- 10.9 If Buyer fails to deliver some or all Equivalent Securities to Seller on the applicable Repurchase Date, Seller may, notwithstanding its rights referred to in clause 10.2, -
- 10.9.1 if it has paid the Repurchase Price to Buyer, require Buyer immediately to repay the sum so paid;

- 10.9.2 if Seller has a Transaction Exposure to Buyer in respect of the relevant Transaction, require Buyer to pay Cash Margin at least equal to such Transaction Exposure; and
- 10.9.3 at any time while such failure continues, by written notice to Buyer specify a date at least 20 days from the date of such notice within which to deliver the relevant Equivalent Securities. Should Buyer fail to deliver the said Equivalent Securities within the prescribed period, Seller shall be entitled to declare that that Transaction or part of the Transaction in respect of which the said Equivalent Securities have not been delivered (but only that Transaction or part of Transaction) shall be terminated immediately in accordance with clause 10.3 above (disregarding for purpose references in that clause to transfer of Cash Margin, delivery of Equivalent Margin Securities and payment of Cash Equivalent Amount and as if references to the Repurchase Date were to the date on which notice was given under this clause 10.9.3).
- 10.10 The provisions of this Agreement constitute a complete statement of the remedies available to each party in respect of any Event of Default.
- 10.11 Subject to clause 10.12, neither party may claim any sum by way of consequential loss or damage in the event of a failure by the other party to perform any of its obligations under this Agreement.
- 10.12
- 10.12.1 Subject to clause 10.12.2 below, if as a result of a Transaction terminating before its agreed Repurchase Date or a Forward Transaction terminating before its Purchase Date under clauses 10.2, 10.8.3 or 10.9.3, or the non-Defaulting Party, in the case of clause 10.2, Buyer, in the case of clause 10.8.3 or Seller, in the case of clause 10.9.3 (in each case the "**first party**") incurs any loss or expense in entering into replacement transactions or in otherwise hedging its exposure arising in connection with a Transaction so terminating, the other party shall be required to pay to the first party the amount determined by the first party in good faith and without double counting to be equal to the loss or expense incurred in connection with such

replacement transactions or hedging (including fees, costs and other expenses) less the amount of any profit or gain made by that party in connection with such replacement transactions or hedging; provided that if that calculation results in a negative number, an amount equal to that number shall be payable by the first party to the other party.

10.12.2 If the first party reasonably decides, instead of entering into such replacement transactions, to replace or unwind any hedging transactions which the party entered into in connection with the Transaction so terminating, or to enter into any replacement hedging transactions, the other party shall be required to pay to the first party the amount determined by the first party in good faith to be equal to the loss or expense incurred in connection with entering into such replacement or unwinding (including all fees, costs and other expenses) less the amount of profit or gain made by that party in connection with such replacement or unwinding; provided that if that calculation results in a negative number, an amount equal to that number shall be payable by the first party to the other party.

10.13 Each party shall immediately notify the other if an Event of Default, or an event which, upon the service of a notice or the lapse of time, or both, would be an Event of Default, occurs in relation to it.

10.14 Any amount payable to one party (the Payee) by the other party (the Payer) under clause 10.4 may, at the option of the non-Defaulting Party, be reduced by its set off against any amount payable (whether at such time or in the future or upon the occurrence of a contingency) by the Payee to the Payer (irrespective of the currency, place of payment or booking office of the obligation) under any other agreement between the Payee and the Payer or instrument or undertaking issued or executed by one party to, or in favour of, the other party. If an obligation is unascertained, the non-Defaulting Party may in good faith estimate that obligation and set off in respect of the estimate, subject to accounting to the other party when the obligation is ascertained. Nothing in this clause shall be effective to create a charge or other security interest. This clause 10 shall be without prejudice and in addition to any right of set off, combination of accounts, lien or other right to which any party is at any time otherwise entitled (whether by operation of law, contract or otherwise).
